Case No. CV96-4849

## **Certified Award Amendment**

to Claimant Kenneth Robert Wight  
also acting on behalf of Ronald Wight

## **in re Account of Helene Weiss**

Claim Number: 224212/HS

Award Amendment Amount: 34,473.75 Swiss Francs

This Certified Award Amendment is based upon the claim of Kenneth Robert Wight (the “Claimant”) to the published accounts of Helene Weiss (the “Account Owner”) at the Zurich branch of [REDACTED] (the “Bank”).

All awards are published. Where a claimant has not requested confidentiality, as in this case, only the name of the bank has been redacted.

On 2 January 2003 the Court approved an Award to the Claimant for a custody account and an account of unknown type held by the Account Owner at the Bank (the “January 2003 Award”). In this Award Amendment, the CRT adopts and amends its findings set out in the January 2003 Award. Based upon further evidence regarding the reliability of the declarations made in the Nazi decreed 1938 Census of Jewish-owned assets (the “1938 Census”), the CRT determines that the value of the Account Owner’s account of unknown type was 3,950.00 Swiss Francs (“SF”), and that given the foregoing, the January 2003 Award shall accordingly be increased by SF 34,473.75.

The CRT notes that in the January 2003 Award, the CRT determined that the Claimant plausibly identified the Account Owner, that he plausibly demonstrated that he and represented party Ronald Moster Wight are related to the Account Owner, and that the Account Owner was a Victim of Nazi Persecution. Based on information contained in the Bank’s records, the CRT determined that the Account Owner held a custody account of unknown value, the value of which was further determined to be SF 13,000.00 under the Rules Governing the Claims Resolution Process, as amended (the “Rules”). Additionally, based on information contained in the Austrian State Archives, the CRT determined that the Account Owner held one account of unknown type with a balance of SF 1,192.10. Additionally, the CRT determined that it was plausible that the Account Owner did not receive the proceeds of the accounts. Finally, the CRT determined that the January 2003 Award amount was SF 170,305.20.

## **The CRT's Analysis**

### Amount of the Award Amendment

The CRT notes that in the January 2003 Award the valuation of the account of unknown type was based entirely on the Account Owner's 1938 Census declaration. However, the CRT determines that it is unable to rely on the balance amounts declared in the 1938 Census as it has no evidence regarding the circumstances of the Account Owner's declaration. The CRT notes that, as evidenced in a number of cases, the Account Owner may not have declared all of her assets, or understated their value, in the belief that this might help to safeguard some of them. Pursuant to Article 29 of the Rules Governing the Claims Resolution Process, as amended (the "Rules"), if the amount in an account of unknown type is less than SF 3,950.00, and in the absence of plausible evidence to the contrary, the amount in the account shall be determined to be SF 3,950.00.

Accordingly, the CRT does not find that the value of the account declared in the 1938 Census constitutes plausible evidence to the contrary sufficient to rebut the presumption of Article 29 of the Rules, and concludes that the value of the account of unknown type shall be determined to be SF 3,950.00. The amount of SF 1,192.10, which is the value for the account of unknown type used in the January 2003 Award, is then subtracted from the Article 29 value, resulting in a difference of SF 2,757.90. The current value of this amount is calculated by multiplying it by a factor of 12.5, in accordance with Article 31(1) of the Rules. Accordingly, the amount of the January 2003 Award is increased by SF 34,473.75, which reflects the adjusted difference between the value of the account recorded in the Account Owner's 1938 Census declaration and the value determined by Article 29 of the Rules.

### Division of the Award Amendment

According to Article 23(1)(c), if the Account Owner's spouse has not submitted a claim, the Award shall be in favor of any descendants of the Account Owner who have submitted a claim, in equal shares by representation. Therefore, as in the January 2003 Award, the Claimant and his brother, represented party Ronald Wight, who plausibly demonstrated that they are the Account Owner's grandsons, are each entitled to one-half of the amount of the Award Amendment.

### **Certification of the Award Amendment**

The CRT certifies this Award Amendment for approval by the Court and payment by the Special Masters.
